Name of Conference Name of Editor

TRANSFER OF COPYRIGHT AGREEMENT

Copyright to the above-listed unpublished and original article and subsequent, if necessary, errata, and the abstract forming part thereof, submitted by the above author(s) (the ''Article'') is hereby transferred to the American Institute of Physics (AIP) for the full term thereof throughout the world, subject to the following rights that the author(s) may freely exercise and to acceptance of the Article for publication in a proceedings of AIP. AIP shall have the right to register copyright to the Article in its name as claimant, whether separately or as part of the proceedings or other medium in which the Article is included.

The author(s) shall have the following rights. The author(s) agree that all copies of the Article made under any of these following rights shall include notice of the AIP copyright.

(1) All proprietary rights other than copyright, such as patent rights.
(2) The nonexclusive right, after publication by AIP, to give permission to third parties to republish the Article or a translation thereof, or excerpts therefrom, without obtaining permission from AIP, provided the AIP-formatted version is not used for this purpose and provided the Article is not to be published in another conference proceedings. If the AIP version is used, permission from AIP must be obtained.
(3) The right, after publication by AIP, to use all or part of the Article without revision or modification, including the AIP-formatted version, in personal compilations or other publications of the author's own works, including the author's personal web home page, and to make copies of all or part of the Article for the author's use for lecture or classroom purposes.
(4) The right to post and update the Article on e-print servers as long as files prepared and/or formatted by AIP or its vendors are not used for that purpose. Any such posting made or updated after acceptance of the Article for publication shall include a link to the AIP online conference proceedings catalog entry.
(5) If the Article has been prepared by an employee within the scope of his or her employment, the employer shall have the right to make copies of the Article for the employer's own internal use. If the Article was prepared under a U.S. Government contract, the government shall have the rights under the copyright to the extent required by the contract.

By signing this Agreement, the author warrants that the Article is original with the author and does not infringe any copyright or violate any other right of any third parties, and that the Article has not been published elsewhere, and is not being considered for publication elsewhere in any form, except as provided herein. If each author's signature does not appear below, the signing author(s) represent that they sign this Agreement as authorized agents for and on behalf of all the authors, and that this Agreement and authorization is made on behalf of all the authors. The signing author(s) (or, in the case of a work made for hire, the signing employer) also warrant that they have the full power to enter into this Agreement and to make the grants contained herein.

_____

Author's Signature Name (print) Date
